*Building a Foundation of Faith, Intellect and Virtue*

July 6, 2025

Hello Immacolata Families,

I have been missing all of the activity in the classrooms and hallways and am looking forward to having everyone back on August 13! But that still leaves a lot of time for summer fun!

The hours of the school day are 8:15am to 3:00pm. Student dropoff will still begin at 7:45 and aftercare will continue to go until 5:30.

Our first day of school is **Wednesday, August 13<sup>th</sup>** and will be a half day, dismissal will be at **noon**.

August 15 is the Feast of the Assumption, a holy day of obligation. Our first all school Mass will be that day at 10am. As always, parents are welcome to join us at all our school Masses.

Please take time to look through the handbook to familiarize yourself with the behavior and dress expectations at Immacolata.

### **TeacherEase**

TeacherEase will be updated in the near future. If you have changed your email, home address, or phone numbers, please let us know so we can update the system. Current rosters are enclosed and will be placed on TeacherEase. If you are new to Immacolata and you have not already done so, you will be receiving an email welcoming you to the TeacherEase online portal. This website allows you to access student grades and attendance. Please let us know if you have any questions regarding this resource.

### **Free Dress Days**

On free dress days, appropriate clothing is expected including appropriate shorts length, covered shoulders or no bare midriffs for all ages preK through 8th. This includes Spirit Wear days throughout the year and special class free dress days. Some schools in our area have stopped free dress days because of issues with students not following the dress code. I know free dress days are exciting for the students and I want them to continue at Immacolata.

### **Testing**

As a school this year, and throughout the Archdiocese over the next 2 years, we are continuing to move away from the ITBS as an assessment tool. As an entire school we will administer the NWEA test three times a year, fall, winter and spring. The high schools will also begin using the NWEA test for admittance into high school beginning this year. Test results will be shared with families at least twice a year. Testing will be for students in grades 1-8.

### **Pick-Up**

Due to safety concerns, all students will need to be picked up through the regular carpool dismissal procedures in the parking lot on the west side of the school. **There will be no pick up from the doors by the office.** If you have a special circumstance, please contact the office so we can best determine how to meet your needs. Special circumstances should not happen on a consistent basis to get to after school practices.

### **Aftercare**

If you are interested in utilizing our aftercare program, there is a flier included in this summer mailing packet. Please call and leave a message at 314-991-5700 (ext. 302) if you have any questions. This program is operated under the administration of Mrs. Gaskell. Aftercare hours are from 3:00pm to 5:30pm.

### **Food Service Consultants (FSC)**

Once again this year FSC will be responsible for collecting payments for student lunches. There are a few changes coming which should simplify the process. That information is included in this mailing.

### **New Staff**

We welcome to the Immacolata Staff the following people:

Siobhan Mullen - PreK aide

Denise Foley - 2nd grade

Jamie Devlin - 5th grade homeroom/middle school science

Anne Webb - Part time middle school learning consultant

### **Upcoming Dates to Note**

**Thursday, August 7** - Intake conferences will be held from 12:00pm - 8:00pm. This will be your opportunity to talk about your child with their new teacher and hear about the upcoming year in their classroom. A Sign-Up Genius link for each teacher will be sent early in August.

**Sunday, August 10** - Backpack Sunday - Join the school staff for Mass at 9:30 followed by students visiting their classrooms and dropping off their supplies. The Parish Picnic will also be that evening from 4-7pm.

**Wednesday, August 13** - First day of school, **NOON** dismissal

It is going to be wonderful to have the building full of the energy of the students in a few weeks. Continue to enjoy the summer, reminding your child about the summer homework packet which is lingering out there.

See you in August!

Tom

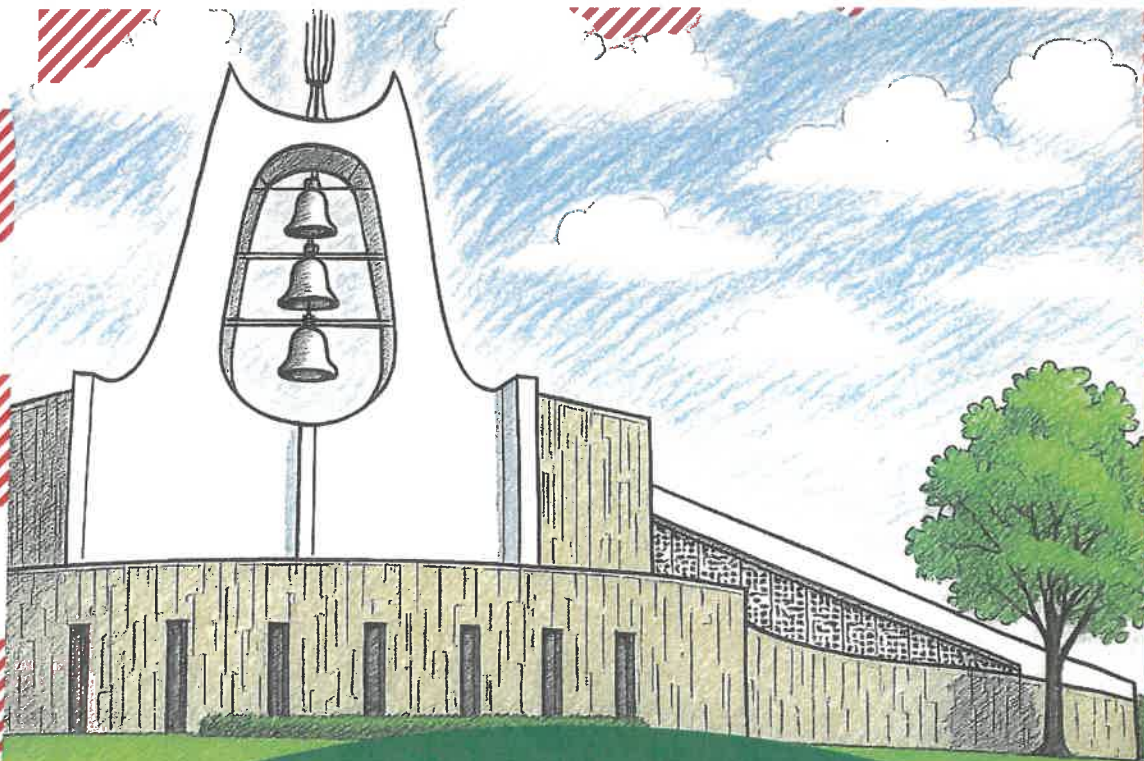

# First Week of School Lunches!

**We WILL be doing special lunches for our first days of school!**  
(Thur & Fri as Wed is a ½ day)

- A google form will be emailed out for orders
- 8th grade parents & students will coordinate the lunches and all proceeds will go to the 8th Grade Mystery Day Fund!
- Please Note: Food Service will not be serving lunch that week, so you will need to bring lunch from home if you will not be ordering.
