

# Re-enrollment Information

We are excited about and looking forward to our upcoming 2022/23 school year. Enclosed you will find the materials necessary to re-enroll your child in Immacolata School. We have had a very successful 2021-2022 school year. We have continued to provide in-person education, experienced increased enrollment, and successfully brought back parent volunteers and our school events—including an amazing auction. This success is due to the diligence, hard work and dedication of our parents and our staff. We are anticipating another successful year with continued growth and development. This is all due to your word-of-mouth marketing efforts in spreading the word about the wonderful education and community atmosphere Immacolata Catholic School offers a child. I have already had numerous tours and inquiries for the upcoming year and have waitlists already forming for the 23-24 school year. Multiple classrooms will reach capacity enrollment. We are looking forward to all the ways our current and new school families will help us continue to develop our programs and school community. And a special thank you for the tremendous support and effort given by all during this school year!

*We know you are very busy, but it is important that you return your paperwork and fees as soon as possible! This ensures an adequate enrollment count to assist us in offering teacher contracts and ordering textbooks and supplies. CERTAIN GRADES WILL FILL UP QUICKLY! Current families must return the registration form no later than Friday, January 15 to secure your spot for next year. Families new to Immacolata may begin registering the following week.*

## Important Information

24% parish subsidy

8% fundraising, auction, donations  
(excluding covid fund)

68% tuition and school fees

Kindergarten-8th grade tuition covers only a portion of the cost to educate your child. The current *cost to educate each child is approximately \$8195*. The difference between the tuition and the cost to educate is covered through the parish and fundraising activities. *This means that through the generous support of our community, all families receive a subsidy of a minimum of \$1710 up to a maximum of \$13,775*

The diagram illustrates the breakdown of our income for 2021-22 school year.

This means the tuition covered by the parish ranges from \$1,710 to \$13,775 depending on the number of students per family and if in or out of the parish.
